

Welcome

Almighty Home Health Care, Inc. provides access to care and treatment when the patient is unable to leave the home.

We foster stability within the comfort of your own home environment and in return, we minimize the need for hospitalization. At the same time, we maximize functional independence.

We, at **Almighty Home Health Care, Inc.**, enhance continuity of care.

Almighty Home Health Care, Inc. recognizes that patients and their families have the right to participate in planning for their care, to make decisions about their healthcare, and to maintain their independence as long as possible.

Almighty Home Health Care, Inc. acknowledges these decisions and strives to provide quality care to patients within the privacy of their own homes.

With a coverage area of Cook County, Lake County, Du Page County, Will County and Kane County, we allow patients the convenience of familiar surroundings and do everything we can to provide the best services by our skilled professionals.

About Us

Since 2004, **Almighty Home Health Care, Inc.** has as its mission - the provision of quality care to individuals in their homes. In addition, we also aim to ensure the delivery of professional, safe, and cost effective healthcare services to our patients.

We subscribe to a philosophy of high quality care which is to be rendered to individuals without regard to race, creed, religion, or sexual orientation.

We are a community based home health agency, licensed and certified by Medicare, Medicaid and the Illinois Department of Public Health.

All of our applicants go through an extensive screening process before we can employ them:

- Phone screen
- One on one interview
- Criminal background check
- Complete comprehensive assessment tests
- Two completed supervisory references

We employ only the most responsible and qualified people. They are dedicated to playing a positive role in the lives of our patients and their families.

Personnel

Almighty Home Health Care, Inc. also has the following passionate personnel and staff that are willing and able to give you or your loved one the best possible healthcare service you and your family need.

- Registered Nurses
- Physicians
- Physical Therapists
- Speech and Language Therapists
- Occupational Therapists
- Social Workers
- Home Health Aides
- PT/INR Monitoring for Coumadin
